

RESOLUTION TO ADOPT
THE TOWNS COUNTY MULTI-JURISDICTIONAL
HAZARD MITIGATION PLAN

WHEREAS, in the wake of our nation's recent natural and man made disasters and the consequences of the same on the areas involved, Towns County recognizes the importance of the development of a comprehensive multi-hazard emergency plan for effective coordination between State and local entities regarding mitigation planning; and

WHEREAS, Towns County has developed a multi-jurisdictional hazard mitigation plan which meets the requirements of local mitigation planning criteria in accordance with the Disaster Mitigation Act of 2000, and has submitted the same to the Georgia Emergency Management Agency (GEMA) for review; and

NOW THEREFORE, BE IT RESOLVED that Towns County does hereby adopt the Towns County Multi-Jurisdictional Hazard Mitigation Plan as reviewed by the Georgia Emergency Management Agency (GEMA) and shall submit the same to the Federal Emergency Management Agency (FEMA) for formal review and approval.

SO ADOPTED, this _____ day of _____, 2007.
